	CERTIFICATE NO. 0267

CERTIFICATE

(Issued April 2, 2003)

On February 19, 2003, Clemons Communications, Inc. (Clemons), filed with the Utilities Board (Board) an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29. Also on February 19, 2003, Clemons filed a proposed tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Clemons intended to provide service. The proposed tariff has been identified as Docket No. TF-03-48.

An order approving the application and the proposed tariff, with revisions, is being issued concurrently with this certificate. Since Clemons will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0267, authorizing Clemons to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2003), authorizes Clemons Communications, Inc., to furnish local
